

TrailerBlade™
FLEET

TrailerBlade
FLEET

Advanced Side Skirts for Fleets

How is TrailerBlade Fleet different than the original TrailerBlade?

- Identical aerodynamic performance
- Identical industry-leading, rock-solid materials
- Identical fuel-savings
- *TrailerBlade Fleet is 30 pounds lighter than the original TrailerBlade*

TrailerBlade Fleet builds on the legendary performance and reliability of the original TrailerBlade by using the same aerodynamic profile and the same industry standard materials in a lighter package.
